Efusion Energy Drinks are a very healthy alternative to the drinks on the market today. Read what Frank Borelli had to say about them after I sent some to him (see attached link). All you have to do is go to my website and order a case, which is 4 boxes. For \$120.00 plus shipping you get 48 cans. You can order them any time you like, without obligation to renew your order. If you like them and you have looked at the compensation plan you can become an independent distributor for what may be the greatest e-Commerce business ever created. The “eFusion Energy Club” drink is 100% natural, healthy, great tasting, and modeled after the “wine club” concept. It is built on the POWER of 3 and the “Pay if Forward” concept. Join the “Efusion Energy Club” to receive healthy drinks, refer friends and relatives to the club, and get paid monthly. Or just order drinks whenever you like. There are 4 flavors to choose from. Open my website and click on “Get Paid” to view the compensation plan. To become a distributor, call me at 970-531-0624 or send me an e-mail at [spechak@msn.com](mailto:spechak@msn.com). If working as a distributor does not appeal to you and you just want to buy the drinks, no problem. Just give them a try; you really might like them. I look forward to serving you. To your health and wealth! Steve Pechak
