

Mossberg Shotgun Armorer

Concord, New Hampshire

May 5-6, 2010

Hosted by

Merrimack County Sheriff's Office

This course is the only factory authorized Mossberg Law Enforcement Certified Armorer Course. The course covers the Mossberg 500/590/590DA shotgun systems and provides instruction on how to diagnose and repair malfunctions, rebuild and return shotguns to factory specifications, perform function inspections, check headspace, and more.

Armorer training classes are a mixture of classroom instruction and hands-on exercises, enabling each student to achieve a high degree of familiarity with the topics covered. Class begins at 0830 hours.

Students successfully completing the course will be able to repair and maintain Mossberg shotguns to factory standards. Graduates will be issued a three year certification, be able to order parts directly from the factory, and receive one-on-one factory phone support.

Prerequisite: Basic knowledge of shotgun operation

Gear Requirements: All weapons and armorer tools used in the course will be provided by U.S. Training Center and Mossberg.

Cost: \$550.00 per person

Registration closes April 20, 2010
